

Hotline Telephone Numbers

The Verisk Report a Concern Whistleblower Hotline—maintained and operated by a leading company independent of Verisk—allows employees and third parties to safely report alleged misconduct relating to Verisk. If an individual is aware of unlawful conduct (such as human trafficking or modern slavery) or potential improprieties (such as manipulation of financial books and records, benefits fraud, or theft of company assets), they can safely raise their concerns to:

- The Office of the General Counsel
- Verisk Global Compliance and Privacy Services via ReportAConcern@verisk.com
- Your Human Resources business partner (for Verisk employees)
- Your local manager (for Verisk employees)
- The Verisk Report a Concern Whistleblower Hotline, 24/7/365, by:
 - Submitting a web-based report on <http://verisk.ethicspoint.com/>
 - Submitting a telephone report using one of the global hotline numbers below

When submitting a telephone report, follow the dial instructions for the country where you're located. If there are two- step dial instructions for your country, you must first dial the country access code as indicated in Step 1, followed by the hotline number as indicated in Step 2.

If your country is listed more than once and you encounter difficulties with the first access code, try the alternative.
